Price Sensitive Information of GPH Ispat Limited

This is for kind information to all concerned that the Board of Directors of the Company in its Meeting held on June 20, 2021 at 3:30 PM, has decided to declare the commercial production of its new expansion plant starting from 21.06.2021 after successful commissioning (partially) with the help of local technicians as well as online support of the technology supplier Primetal Technologies Austria GmbH. Due to Pandemic COVID-19 impact, it is not possible to avail on-site support of technicians from Primetal Technologies Austria GmbH, who are the main technology supplier of the plant which lead to barrier of the completion of commissioning it's all products. According to local technicians, the plant and product are fit to start commercial production of certain items specially MS Rod and MS Billet. The Annual production capacity of the expansion plant is 840,000 M. Ton MS Billet and 640,000 M. Ton MS Rod, Medium Section Product (Steel Beam, Angle, Channel, Flat Bar etc.), but the company has to wait for certain period of time for the full fledge production to yield the said capacity.

By order of the Board
